

Certificate *of Dependability*

Insured: _____

Claimant: _____

Claim #: _____

Date of Loss: _____

The repair of your automobile can involve guarantees from a number of sources including original equipment manufacturers, after-market parts manufacturers, and the Circle of Dependability Repair Facility that repaired your vehicle.

We want you to know that we will stand behind all parts and repair techniques specified in the estimate prepared by a Circle of Dependability Repair Facility. The parts may be after-market, original equipment, remanufactured, or recycled, depending on the kind of repair. If a supplier of a part listed in the estimate, or the Circle of Dependability Repair Facility completing the repairs is unable to resolve a legitimate complaint about the quality of parts, workmanship and/or the repairs, we will make every effort to see that the problem is corrected. For assistance, contact your nearest Farmers Claims Office or Agent and present this Certificate.

Disclaimer

This certificate and any representations made herein are non-transferable, and its benefits extend only to the party owning the vehicle at the time of repair. It is not part of the insurance policy and does not constitute an extension of coverage thereunder.
